He and Dr. Cottrell Address a Lare Cloverport.

Elaquent Words, Facts and Figures Strike Deep into the Hearts of Laborian Meu.

### A DEMOCRATIC PRAST.

At last there is a little political sim-among the hemocrats of Cloverpyri. Julies W. B. The Julies is an eloquent and convince the construction of the large is an eloquent and convince to the large in the large is an eloquent and convince to the large in the large is an eloquent in the large in the large in the large is the large in the large in the large is an eloquent promises had not materialized; that instead of an eloquent in the large is the large in the large in the large is the large in the large i that came into this country free it duty. It was conclusively shown that the tariff only made the cost of the laboring man's living greater, while it did not effect his

# A PREMIUM FOR EVERY SUBSCRIBER!

# Given Away to our Paid - In - Advance Subscribers.

We have just bought from a large wholesale Jewelry house, a lot of fine tripple plaited jewelry, to be distributed without regard to cost to our subscribers, who pay up to date and one year in advance, and to every new subscriber who subscribes for one year.

## The Plan.

We have numbered every article in the list, amounting to several hundred pieces and they will be sent out to those entitled to them in the order in which the subscriptions are received.

## Partial Eist of Articles Given Away.

The jewelry is made from the best rolled gold plate and is warranted for five years. Any article that does not give reasonable satisfaction, can be returned and we will repair or forward a new duplicate article in its place.

## THE LIST,

Collar Buttons, Scarf Pins, Ladies, Misses' and Babies' Pins, Charms and Lockets, Finger Rings, Ear-rings, Gents' Chains, Ladies' Chains, Silver Thimbles, Bracelets, Beads, Cuff Buttons, Pins, Studs, Etc., amounting to over \$200 for the jewelry alone, besides other articles of Merchendise. The amount is only limited by the number of subscribers received.

What we want is to increase our subscription list. We want to put the News into every home in Breckenridge and Meade counties, and we are willing to give up some of our hard earned dollars to do it.

The first person sending us a dollar will get the first article numbered in the list below, the next the second article, and so on through the entire list.

If you are already a subscriber examine the label on your paper and see how you stand. If you are behind, send enough money to pay you up to date and one year in advance, and this will entitle you to one of our premiums. The premiums range in price from 25 cents to \$20.
